GET MONEY FOR COLLEGE

There's good news about financial aid: Money is available to help you cover the cost of tuition.

You might ask why all students should apply for financial aid. Because it isn't always based just on income, as almost everyone at least qualifies for loans.

Financial Aid Comes in Many Forms

Grants   *Scholarships*   *Loans*   *Work-Study*

INVEST *in* YOURSELF

You could pay a lot more for the same credits, but why would you?

Our students tell us they feel better prepared for their careers after attending WCC than their counterparts who began their journey at a four-year institution. Unlike at private and public four-year institutions, our students pay a significantly lower tuition rate.

2022-2023 *Tuition Rate Chart*
per credit hour

	IN DISTRICT	OUT OF DISTRICT	OUT OF STATE	INTERNATIONAL
In-person	$95	$169	$239	$287
Online	$108	$120	$130	$133

WE'RE HERE TO HELP!

The financial aid staff at WCC is here to help with filing your FAFSA, checking your status and any other questions you may have.

The Office of Financial Aid is located on the second floor of the Student Center building.
